Halsted Street reduced to single lanes in Glenwood, Homewood

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures and reductions will occur for a bridge repairs along Halsted Street in Glenwood and Homewood around Holbrook Street beginning, weather permitting, Monday, July 6.

In order to complete the work, Halsted Street will be reduced to one lane of traffic in both directions from 100 feet south of Holbrook Street to 2,000 feet north of Holbrook street.

The project will be complete by mid-September.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
